# GUIDELINES & GUARANTEES

## Crown & Bridge

For a period of three (3) years (from the original invoice date), we will remake any fixed restoration that fails due to a lab error AT NO CHARGE. Return case with original restoration(s), impression(s), model(s), die(s), etc. If the original case is not readily available, a new case will be made at our regular fee & a credit will be issued when original case is returned. Guarantee does not apply to shade changes or re-prepared teeth. Should a dentist instruct Friendship Dental Lab to proceed against a lab recommendation, this warranty will be void & additional fees may apply.

## Cast-Partials

For a period of one (1) year, we will guarantee any cast-partial frame that does not fit the original master model AT NO CHARGE. Return casting with original model.

## Removable Prosthodontics

For a period of one (1) year, we guarantee dentures against breakage & will repair them AT NO CHARGE. Return dentures. Immediate partials and immediate dentures are not covered by warranty.

## Terms & Conditions

Friendship reserves the right to forward any delinquent accounts to collections; at this time credit will no longer be extended & all product guarantees will be null & void. Product and alloy charges are subject to change without notice.

<sup>1</sup> Shipping is 1-3 business days each way, depending on location.

<sup>2</sup> Please call. Turnaround varies on case complexity.

<sup>3</sup> 24-48 hours turnaround. Must be pre-scheduled & is subject to additional fees.

<sup>4</sup> Additional in-lab days to fabricate Bar: (4) Nobel Biocare, (7) all other bars.
